Three-hour reservations per day are available from January 02 through January 31 at the Coca-Cola Pin Trading Centre at the Olympic Superstore at Hbc. From February 01 onward, two-hour reservations per day are available.

Reservations can ONLY be made by a Pacific Pin Club member or Olympin Collectors Club member in good standing and must be exclusively for his/her PERSONAL use.

In making a reservation, members agree to sign up for only one session per day and call a coordinator 24 hours prior to each time window to reaffirm usage. *The Phone Number will be provided shortly.* Failure to confirm the reservation via phone will result in a forfeit of the table.

The table will be held for five minutes after the scheduled time - then reassigned by the coordinator if requested by somebody on site - regardless as to why the table holder was late in arriving.

Bookings by Club Members are limited to a total of three bookings per member for all Pin Trading Centres. We will keep a list of additional requests and try to accommodate these to the best of our ability. We would like to give as many people as possible access, especially during the Games.

Coca-Cola is also holding tables available for non-Club members that site coordinators will make available to the public on a first-come, first-served drop-in basis. Drop-in traders can make one additional booking for the following day depending on availability. See the onsite staff at each Centre.
